"A" Note from the President...

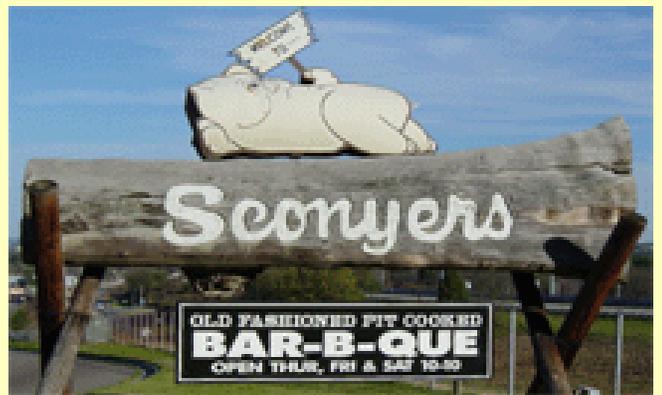

Our October club business/picnic meeting was on a beautiful Saturday. We had 10 A's and 26 members in attendance. We welcomed two new members, Kimberley Ann and Chuck Dudley and their 1929 Roadster, to our club. We enjoyed hamburgers and hotdogs with various sides that were provided by various members. Thanks to the Austins and the Arehearts for providing the use of their church pavilion for our gathering.

In the business meeting, the following members were presented to the club as nominees for office for 2022: President – John Cockerill, Vice President – Sherry Mack, Treasurer – Dick Fraser, Secretary – Sharon Booth, News Letter Editor – Twila Cockerill. No other nominations were received from the membership resulting in no opposition to the nominated candidates. Therefore, a vote of approval was received for said nominees to be installed as the new 2022 Board of Directors, and no election will be necessary. I thank the newly selected officers for their willingness to keep our club moving forward in the coming year. On behalf of the club, I offer a huge thank you to Cheryl Austin for her service as Vice President, and to Happy Begg for her service as Treasurer this past year.

For our November meeting we'll be "touring" to Augusta, GA to enjoy lunch at Sconyers BBQ. We will be departing from the Food Lion at 675 Main St., South Congaree at 8:00 AM. Please be "gassed up" and ready to roll! Don't forget your walkie talkies. Looking forward to a fun drive and BBQ!

Remember, if your "A" is the "repair or restore shop," you can still be a part of the fellowship in your "modern." **So let's dust'um off, gas'em up, and let's go "Model A'ing"!**

John Cockerill

**Palmetto A's Tour to Augusta, GA
20 November, 2021**

**Lunch at Sconyers BBQ
2250 Sconyers Way
Augusta GA**

We will depart from the Food Lion (675 Main Street in South Congaree) at 8:00am and caravan to Augusta. We should arrive at Sconyers BBQ around 11:15.

Welcome New Members

Treasurer's Report, September 2021

We continue to maintain a balance in line with the club budget as set and approved by the Board of Directors. All bills and receipts are processed promptly. The checkbook is balanced monthly with no discrepancies. The club account balance is reported at each General Membership meeting.

Happy Begg, Treasurer

Sunshine Report

Please keep the following folks in your thoughts and prayers: Mack and Mary Day, Calvin LeNeve, Mike Lewter, Wes Porterfield and Wyman Toole.

Remember: call, write or send a card to someone who needs encouragement. We are "FAMILY" and it helps to be thought of and prayed about.

If you have any Sunshine concerns, please call or email the newsletter editor to add the name to our Sunshine Report.

16 October Meeting Minutes.....

President John Cockerill opened the meeting at 10:50am in the picnic shelter of St James Lutheran Church in Red Bank, SC, by extending thanks to the Arehearts and Austins for arranging the use of their church facilities for this meeting, and to Happy Begg for providing the baked beans and Twila Cockerill the coleslaw.

The purpose of this meeting is to present the nominations for Club officers for the year 2022. President John thanked the current officers and those who were appointed to various committees this past year and called for any nominations from the members, but none were expressed. Therefore, the slate of officers presented by the Board of Directors is as follows:

President	John Cockerill
Vice President	Sherry Mack
Treasurer	Dick Fraser
Secretary	Sharon Booth
Newsletter Editor	Twila Cockerill
Member at Large	Dan Ward

The call for approval of these candidates by raise of hands was unanimous in favor. As there is no opposition to any of the candidates, no election is required.

Cheryl Austin presented the upcoming schedule of Club events:

November 20 – Meet at Food Lion in South Congaree to drive to Sconyers BBQ in Augusta (time will be announced in Newsletter).

December 4 – Drive to McCormick SC for Festival of Trees

December 11 – Christmas Party at Tom Mack’s Show-room in Prosperity with catered lunch by Hog Heaven and Members bringing appetizers and desserts. Members will pay \$5 each and non-members \$12 with the Club paying the balance. Twila will make a flyer to be enclosed with the Dues Notice. Members are encouraged to wear period clothing. White Elephant exchange will be held.

January 22 – Club Meeting at the Austins’ for chicken bog lunch.

President John introduced new Club Members Chuck and Kimberly Dudly.

There being no further business, the meeting was adjourned at 11:05am.

Submitted by,
Sharon Booth, Secretary

EXCERPT FROM NEW FASHION QUICK REFERENCE GUIDE

Women's Hats during the Model A Era

Hats were a necessary addition to complement a daytime ensemble suitable for going out to shop, afternoon tea or visiting a friend.

The color worn generally coordinated with the main dress or coat color. The weight of the hat material is also an important consideration; the general rule of thumb is the lighter of fabric of the dress, the more sheer the hat. A felt hat would not be a good choice for a sheer chiffon dress.

The hat you wear should also be of the same year as your major garment. The two notable difference of hats between years appeared in the location of the brim on the forehead and the depth of the crown. The following illustrations come directly from the MAFCA Fashion Guidelines.

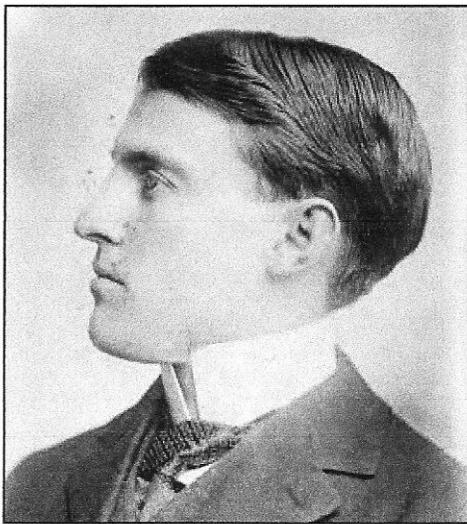

Courtesy of MAFCA

The Ahooguh Origin

by Tom Endy

The ahooguh horn, also known as a Klaxon horn was developed and patented by Miller Reese Hutchison, an inventor of the early 20th century. Hutch, as he was known, patented the mechanism in 1908. The Lovell-McConnell Manufacturing Company of Newark, New Jersey bought the rights to manufacture the device and it later became standard equipment on motor cars. Franklyn Hallett Lovell Jr., the company founder, coined the name *klaxon* from the Ancient Greek verb *klazō*, meaning shriek. Klaxon horns produce an easily identifiable sound, often described in English as "ahooguh". Like most mechanical horns, the klaxon has largely been replaced by solid-state electronic devices, though the memorable tone has persisted on in classic cars of the era. Klaxon later became a brand name. The Klaxon horn was used on U.S. submarines during WWII. The Klaxon horn's characteristic sound is produced by a spring-steel diaphragm with a rivet in the center that is repeatedly struck by the teeth of a rotating cogwheel. The diaphragm is attached to a horn that acts as an acoustic transformer and controls the direction of the sound. In the first Klaxons, the wheel was driven either by hand or by an electric motor. Hutchison went to work for Thomas Edison in 1909, and was the chief engineer for Edison from 1912 to 1918. The ahooguh sound is usually heard today when a Model A Ford goes rolling down the road.

Miller Reese Hutchison 1876 - 1944

Santa Anita A's Member, Tom Endy; Editor of the Victoria Association Newsletter (The Bustle) for the past 20 years, has created the 20+ years of the work. Some of the articles and documents have been featured in the MAFCA Restorer Magazine, other club's websites, and some are not published anywhere but here: santaanitaas.org/tom-endys-tech-articles/. Enjoy, utilize, and learn!

Richland Creek Antique Fall Festival
Saturday, November 6th.
It's his birthday!**

Editor's Note.....

November is upon us! Winter touring has begun! For those of us that do not have heaters in our Model A's, it's time to pull out the coats and sweaters and blankets. Some of us have invested in heated seat cushions and others have purchased heated vests. We are fortunate that our weather is usually mild enough to allow us to continue to tour through the winter months. Our members need to start planning their period attire for our December Christmas Party. Ladies, you can get era fashion suggestions on the MAFCA website: https://www.mafca.com/ef_articles.html You can check it out for yourself and your spouse! Our Model A's will be parked on the square in Prosperity, so let's get them all spruced up, too.
Happy Thanksgiving!

Tilda

Cook's Corner.....

Pumpkin Spice Truffles

Ingredients:

8 ounces cream cheese at room temperature
1 15.25 oz pkg Golden Oreo cookies
1 tsp pumpkin pie spice
1½ cups white chocolate chips
2-3 tsp Coconut oil
½ cup orange candy melts
1 tsp leaf shaped sprinkles

Instructions:

Place the Oreos in a food processor and pulse until you have medium-fine crumbs. Add the cream cheese and pumpkin pie spice. Pulse together until fully combined. Scoop tablespoon size portions and roll them into balls and place them on a parchment lined baking sheet or plate. Freeze a minimum of two hours but preferably overnight. Once the truffles are frozen, place the white chocolate and coconut oil in a microwave-safe bowl and melt for 1-2 minutes, on 50% power until melted and smooth. Dip the truffles into the melted chocolate to coat one at a time. Place back on lined baking sheet. Melt the orange candy melts the same way you melted the white chocolate and transfer to a piping bag or squeeze bottle. Drizzle it over the dipped truffles. You can also drizzle it with a spoon if you don't have a piping bag or squeeze bottle. Pipe a design over the truffles and top with the sprinkles before the chocolate cools and hardens. Store in an airtight container and keep refrigerated.
